

2022 Living Stones Capital Campaign Paver Fundraiser

March 2, 2022

Beloved Friends,

Each year the FCS community has been strengthening and maturing in its vision, and recently God blessed us with a building. Through our last Campaign we were able to raise enough money to purchase the building without depending on a mortgage from the bank. To offer our students the best environment possible, we need to renovate the building. The renovations include a new HVAC and sprinkler/smoke alarm system, new roof, installation of an elevator and security system, as well as putting up walls and laying down new flooring. Volunteers have already completed much of the demolition, and businesses are willing to work with us to try to keep costs lower, but our general contractor has given us the estimate of \$75/square foot to cover the renovations.

To accomplish this goal, we need to raise \$1,350,000 in funds for the renovations to make this a safe environment for our children to learn and grow and impact the New Oxford Community. By having our own facilities, many are dreaming of all the new programs we would be able to offer, which include during and after school activities, as well as the possibilities of summer camps.

It is with great excitement that we introduce our Paver Fundraiser to support our Living Stones Capital Campaign, currently being conducted by Freedom Christian Schools. The **Paver Fundraiser** is in the introductory stage, and you have been chosen to be the first to join us on the continuation of our exciting adventure.

By showing your support through sponsoring a **PERSONALIZED PAVER**, we will be creating an outdoor walkway and sitting area at our new school location at 104 West Golden Lane, New Oxford, PA. Each Paver will be engraved to commemorate your generous tax-deductible contribution helping us renovate our new building.

Though the world is still in uncertain times, none of this was a surprise to God. He has made it very clear to our leadership team that now is the time to move, and with another step of faith, we are continuing our journey. We ask that you join us on this new venture. Please prayerfully consider becoming a partner with Freedom Christian Schools and walk with us into the future dream that God has given the leadership team for this school.

*As you come to him, a living stone rejected by men but in the sight of God chosen and precious,
You yourselves like living stones are being built up as a spiritual house, to be a holy priesthood,
To offer spiritual sacrifices acceptable to God through Jesus Christ.*
